Texas State Organization

The Delta Kappa Gamma Society International

YOU are the key

Dear Area 2 Presidents:

I am honored to serve as your 2019-2021 Area Coordinator. I am excited about working with you and your chapters as your liaison to our Texas State President Patti Belknap. I applaud you for your commitment to lead and serve your chapter for 2020-2022.

Patti's theme through 2021 is "You are the key." Her goals are to unlock the door to cooperative strategic planning through:

***Knowledge of the Society's mission, purposes, and traditions**

***Engagement in purposeful programs and projects to increase member involvement**

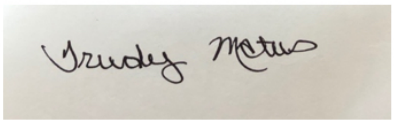
***Yearlong involvement in recruiting, mentoring, and leading**

***Support from officers, mentors, and others to increase stronger members and chapters**

My vision for Area 2 coalesces with Patti's goals. My primary goal is to stay in communication with you through e-mails, newsletters, phone calls and visits so that I can better serve your chapter. Please send me your newsletters and yearbooks; I get a glimpse of your chapter's personality, accomplishments, and concerns through them.

I share your love for and dedication to our Society, and I look forward to meeting with each of your chapters this year. I hope we can work together to support educators and education and to make our great professional organization even better.

Yours in DKG,



Area 2 Coordinator
