Ideas from Other Chapter Art Programs

Cathy Burke led the ladies in creating with Sharpies and alcohol on white tiles....Iota Upsilon

Decorating draw string bags to be filled with school supplies for teachers attending our workshop made possible with an ASTEF project stipend.

Epsilon Sigma

Dr. Barbara Derrick planned and directed a workshop for teachers, using the ASTEF Stipend. The educators learned fun ways to teach using music and rhythm, and art to engage elementary students in an effective and fun way.

Denise Charlston and Dr. Cindy Kates shared a variety of music genres that can help students in the classroom.

Zentangle

Epsilon Sigma enjoys dessert and a performance of On the Air at College of the Mainland

Epsilon Sigma

Kathy Glidewell visited from her chapter to show Iota Upsilon ladies how to paint on canvas bags.

Lawana Jones taught Iris Folding to make cards.

Temple HS has a new and “to die for” career and Technology building, and one area is the Florist Shop.. The owner of a local florist brought everything we needed to create an arrangement, then she walked us through the steps for building an arrangement.

Lambda Chapter

Marilyn Gregory teaches how to make an angel at a Lambda Chapter meeting.

Barbara Ardis and Sandra Green of Alpha Iota creating Practical Precious Pill Bottles with over 40 uses.

Gamma Omega
Trudy Holland led this
project.

Thank you for attending the Women in the Arts
Breakout Session.
