

EULA LEE CARTER MEMORIAL FUND

THE DELTA KAPPA GAMMA SOCIETY INTERNATIONAL ALPHA STATE, TEXAS

While serving as a member of the International Expansion Committee, Dr. Eula Lee Carter, a Texas state honorary founder, completed her specific assignment, which was to organize and install the first chapters and the first state organization in Mexico. The site of this initial expansion into Mexico was Mexico, D.F., the capital city. Following the death of Dr. Carter, a proposal for a special fund in her memory received the necessary approval from the Texas State Organization. (See State BYLAWS.) As a result, Delta Kappa Gamma members residing in Latin American Country in the Southwest Region may apply to the Eula Lee Carter Memorial Fund Committee for a possible grant from the interest income of the fund. Because the money awarded does not necessarily have to be used for graduate-level studies (although it may be), and because the Scholarships Committee is not involved in the selection procedure, the term grant is most appropriate. (2005)

Of the recommendations listed below, the first three formed part of the initially approved proposal.

1. That Alpha State, Texas, establish a Eula Lee Carter Memorial Fund. (1983)
2. That the fund be used for Delta Kappa Gamma members in Latin American Countries in the Southwest Regional to improve their educational advancement. (1983) (2005)
3. That the interest income from the Eula Lee Carter Memorial Fund be used for the above purpose, leaving the principal intact. (1983)
4. That the Eula Lee Carter Memorial Fund be administered by a committee consisting of three Texas members selected (elected) by the State Executive Board, one of whom shall be a past state president and one of whom shall be a continuing member. The state president shall be an ex-officio member without vote. (1988)
5. Each committee member shall serve for two years. (1983)
6. The amount of any grant from the Eula Lee Carter Memorial Fund (which may not exceed \$750.00 U.S. currency) shall be used only for tuition and necessary instructional materials. (1986)
7. It is recommended that the Eula Lee Carter Memorial Fund Committee, with the advice and consent of the president, may between conventions award grants from the interest of the Fund, reporting such activity to the next state convention. (1987)
8. The chairman and the immediate past state president shall attend the Latin American Forum at Southwest Regional conferences and at International Conventions to disseminate information about the Fund and to Distribute Eula Lee Carter Memorial Fund grant application. (2011)

NOTE: There is no deadline for the grant application; it can be sent at any time, anticipating the date to begin studies.
