Programs and Service Projects

TSO Programs and Service Project Committee wants to hear from Chapters about the outstanding programs and service project your chapters are participating in. Below are three questions.

(1) Have you invited a community organization to come present a program that resulted in your chapter adopting them and provided needed items?

(2) How does your chapter honor its members by years of membership and/or with an achievement award?

(3). Has your chapter been awarded an ASTEF Grant for an outstanding project that you would share?
