

The Delta Kappa Gamma Society International Texas State Organization

July 2015

Greetings from TSO Leadership Seminar Committee

In 1993, the first class of Leadership Seminar participants came together for an engaging and educational weekend designed to motivate, energize, and challenge 30 TSO members to enhance their efforts as effective leaders in their chapters, schools, and communities. The tradition has continued, and in 2019 we will bring another class of TSO women together to supplement and refine their leadership, communication, and management skills.

The next seminar will be held in Frisco in February of 2019 beginning on a Friday afternoon and ending by noon on Sunday. As chapter president, **your role** is to identify and encourage current and potential leaders in your chapter to apply for the Leadership Seminar. If you have never attended, then let me encourage YOU to apply! The application will post to www.dkgtexas.org prior to the 2018 TSO Convention, and it will be due October 15, 2018. Ask your chapter web-watcher to look for the posting of the application to the Leadership Seminar committee page at dkgtexas.org, and then share it with members.

Another way your chapter can support the work of the Leadership Seminar is by making monetary contributions to the Leadership Seminar Fund through the Alpha State Texas Education Foundation, or ASTEF. Chapters who donate \$1 per member (all categories) during the year will receive recognition as *Leadership Journeymen* at TSO convention. If you give \$2 per member (all categories) you will be recognized as *Leadership Trailblazers* at TSO convention.

The 2019 seminar will focus on President Dr. Jo Murphy's theme ***Bridging Yesterday and Tomorrow*** as we explore ways to connect women leaders of every generation and every region of the state through powerful (and fun!) lessons in communication, goal setting and teamwork. Seminar content will promote each attendee's positive impact in her chapter, community and the world.

Members of the 2019 Leadership Seminar Committee will soon be listed on the committee website at www.dkgtexas.org. Please contact me or any of the members if we can assist you and your chapter to promote Leadership Seminar. We look forward to receiving applications from your chapter next year.
