ASTEF Report of the Board of Directors

I am excited to be the ASTEF President for this biennium. I have been a Delta Kappa Gamma member since 1991. I am honored to serve alongside the Alpha State Texas Educational Foundation (ASTEF) Board of Directors and the Texas State Organization (TSO) Executive Board under the leadership of Dr. Stacey Arnold.

TSO State President has announced goals for her biennium:
*Aspire to create positive change through collaboration, service, and leadership opportunities
*Cultivate growth of members and chapters
*Thrive together by fostering a sense of belonging and celebrating success

For this biennium, I have established the theme, DREAM Big & ACT, for ASTEF.

In my opinion, Stacey's goals and ASTEF's theme align with each other. My dream is to strengthen our partnership and ensure that each TSO member recognizes that she is not a member of two groups, but as a DKG sister she is part of ASTEF. ASTEF is the money arm of the Texas State Organization. The Foundation manages, maintains, and awards money to deserving Texas educators to promote leadership, scholarships/grants, and projects.

As we move forward together, I want to share three key goals that will guide my work this biennium. They are summed up in one simple word: ACT—because action is how we make dreams real.

A - Advance our mission as a Foundation by taking risks to strengthen and move forward with purpose, Aspire to excellence in all we do by setting high standards and pursuing them with intention, and Acknowledge the value of every member and celebrate contributions big and small.
C - Connect with members, Cultivate leadership, skills, and relationships that will carry our mission forward, Connect through events, projects, and shared experiences that build community.
T - Transform through innovation with fresh ideas and creative solutions that help us grow, adapt, and make an even greater impact and Take action on ideas and turn them into tangible results.
DKG Vision: Leading Women Educators Impacting Education Worldwide

I am always available by phone, email, or text. I welcome any questions, concerns or suggestions. With our partnership, TSO and ASTEF will continue to build a strong Society.
Let's dream big and act during this biennium!

Unifying Project: Invest in Education

The TSO Unifying Project for each regional conference will benefit ASTEF. Our theme for this year's unifying project is **ACT: Invest in Education**.

ALL TSO members are members of ASTEF.

Money collected with this fundraiser goes directly to ASTEF Project Stipends and the Aspiring Educator fund. Hopefully, you, your chapter, or someone you know has benefited from one of these. If so, you know the importance of these funds to Texas educators and students.

We are counting on each attendee to contribute at least $5.00 to this year's Unifying Project. Each luncheon table will have a red collection bag. Attendees are asked to drop their money into the bag.

This collection reinforces the ASTEF mission of providing funding for activities that support professional and personal growth of women educators in Texas and providing educational excellence for Texas students. We ask that members make a cash donation, but, if necessary, you may write a check made payable to the chapter handling the regional conference money. If you are unable to attend your regional conference, please consider sending your donation to the conference with a friend or sister member.

ASTEF challenges you to take the Red Bag Challenge again this year and make a meaningful impact by giving to this fundraiser.

Sincerely,

Suzanne Stidom
ASTEF President 2025-2027

Delta Kappa Gamma Society Founders

The Society was founded May 11, 1929, at the University of Texas Faculty Women's Club, Austin. Dr. Annie Webb Blanton, faculty member at the University of Texas and first woman elected to a Texas statewide office, conceived the idea of an honor organization for women educators and selected eleven from Texas to help her create "The Delta Kappa Gamma Society". Two honorary founders were named by the 1949 State Convention since Texas was the only state without State Founders other than the original twelve shared with the whole organization. Biographical information may be found in Our Heritage Volumes I, II and III. Texas chapters are encouraged to remember and honor the vision of these women.

Delta Kappa Gamma Song

By Founders Dr. Annie Webb Blanton & Cora M. Martin, May 11, 1929
Music by L.M. Fox

Women teachers to the calling
Firmly rally, never falling,
Duty ne'er upon us palling
Staunch, courageous we!
Loyalty and trust e'er heeding,
Mindful of our sisters needing
Aid and guidance from those leading,
Helpful may we be!

To Delta Kappa Gamma
Faith we pledge forever!
Hand in hand our loyal band,
Forward moving ever!
Onward! 'tis our sisters need us,
Courage, Faith, and Honor lead us!
Wrongs in truth and justice heed us!
Firmly shall we stand!

Guardians of the faith yet sleeping
For our sisters watch e'er keeping,
Deeds of others now we're reaping,
We for others stand!
To us pioneers have given;
We return their gifts to heaven;
Work for others is the leaven
That inspires our band!

Oh, Delta Kappa Gamma;
In thy fold we gather!
Unity and Liberty
Shall be our watchwords ever!
Education e'er we'll further;
Each is bound to each as brother;
With this faith in one another
We shall win for aye!
