

Texas State Organization

The Delta Kappa Gamma Society International

August 2020

Hello from your TSO Second Vice President,

Congratulations on being elected and serving as your chapter's Second Vice President. You have qualities of leadership that your chapter members have found valuable. These qualities and your willingness to be a part of your Executive Board and of service to your chapter will ensure a biennium of success for all!

Our TSO President, Patti Belknap has chosen "YOU are the key" as her theme. She and the entire Executive Committee believe YOU are the key to your chapter's success. Her goals are:

- 1) **KNOWLEDGE** of the Society's mission, purposes, and traditions.
- 2) **ENGAGEMENT** in purposeful programs and projects to increase member involvement.
- 3) **YEARLONG** involvement in recruiting, mentoring, and leading.
- 4) **SUPPORT** from officers, mentors, and others to increase stronger members and chapters.

As we focus on the next two years, Patti's theme and goals and our efforts of communication, commitment and collaboration will help us recruit, retain and engage members. Members from college juniors and seniors to active educators to those who have retired and are volunteering who come from any type of "educating others".

My role is to listen, encourage, support, mentor and assist you in any way that will be beneficial to you. I am excited and am here to help with membership for you and your chapter. Please contact me at any time so that I can be of service to you.

Wishing you great success!

Bonnie Moore
