

April 20, 2020

TSO Members,

With the health and well being of our membership being of utmost importance, the TSO Executive Committee met via Zoom on Friday, April 17, 2020 and voted to cancel our 91<sup>st</sup> TSO Convention in McAllen.

Members that have registered for this Convention will receive a check for a full refund minus any donation made to the ASTEF Decade Donors. Those donations will be sent to ASTEF. Please allow the McAllen Convention Treasurer several weeks to get the refunds processed and mailed.

If you have already made a hotel reservation you must contact the hotel to cancel. All hotel numbers are available on the Convention website at [dkgtexas.org](http://dkgtexas.org). You will need your confirmation number and your credit card to do this.

Information about Presidents and Treasurer training will be forthcoming.

My hope is that neither you nor any of your family members have been affected by this virus.

YOU are the Key!

Patti
