

# Texas State Organization

The Delta Kappa Gamma Society International

---

2019- 2020 REPORT OF TEXAS STATE \_\_\_\_\_  
Marilyn Stone, Area 11 Coordinator, 2019-2021  
Zeta Epsilon Chapter Area 11

## Goals:

1. Visit all chapters during the biennium
2. Encourage chapters to use the Texas Recruitment Plan to bring in new members.
3. Use the Strategic Plan of Action to help chapters focus their goals to align with our State and International Goals.
4. Communicate regularly through emails, texts, and a monthly newsletter to ensure that the Area 11 chapter presidents and membership receives the latest news and information.

## Accomplishments and Activities Related to goals:

- As of February 2020, I have visited five of the 12 chapters in Area 11. The five visited were identified as red flag chapters. I plan at least one more visit this spring. The Texas Recruitment Plan was shared with each.
- Four newsletters have gone out to chapter presidents, and two more are planned.
- Multiple emails from TSO have been forwarded and others were sent from me.
- The 2020 Area Workshop has been planned with ten chapters participating in the planning. All chapters will have responsibilities prior to and on the day of the workshop.
- The Strategic Plan of Action will be specifically addressed at the Area Workshop.

## Suggestions to chapter (Officer , committee, or Area)

- Start communicating early and keep in touch regularly with chapter presidents.
- Encourage chapter presidents to network and think of them as an Area team to accomplish goals.
- Be available to chapter presidents and answer questions or provide assistance in an timely manner.
