

Texas State Organization

The Delta Kappa Gamma Society International

2019-2020 REPORT OF TEXAS STATE ORGANIZATION

Judy Evans, Area 12 Coordinator 2019-2021

Alpha Sigma Area 12

Goals:

1. To visit all chapters while getting to meet members from across Area 12.
2. To keep in touch through emails, newsletters, phone calls, and visits.
3. To be available to answer questions and offer assistance.
4. To be a liaison between TSO and Area 12 chapters.
5. To challenge chapters to use the Recruitment Plan to increase membership.

Accomplishments and Activities Related to goals:

1. I have visited 4 chapters and presented the TSO Recruitment Plan to most of these chapters. I encouraged all of the chapters to use this plan to recruit new members. I plan to visit 4 chapters in March and April.
2. I have written an Area 12 Newsletter every month and have forwarded all information sent from President Belknap, State Committee Chairs, and International to the chapter presidents.
3. I helped Kappa Iota plan the Area 12 Christmas Brunch, and I am helping Alpha Kappa with the May Founders' Day Luncheon.
4. I conducted an Area 12 Workshop planning meeting with 6 presidents and 12 chapter members.
5. I have encouraged chapter members to attend Area 12 functions, the State Convention, and the Area 12 Workshop.

Suggestions to chapter (Officer, committee, or Area)

1. Be intentional about inviting new members to join the organization. Be aware of potential members everywhere you go.
2. Be sure to involve new members in planning and participating in meetings and projects.
3. Be sure your programs appeal to all of your members.
4. Encourage your members to attend area workshop, state convention, international convention, and regional conference.
5. Encourage your members to apply for Leadership Seminar to be held in 2021.
