

Greetings from your Area 16 Coordinator

August, 2019

Dear Chapter Presidents,

Every year I am excited to start the school year. This year particularly so because I see good things happening in Delta Kappa Gamma.

- ❖ You are starting your second year as president. You are in your stride. You know what you are doing. You are planning great programs and projects.
- ❖ I am the key liaison between the state officers and the chapters. I will bring news from the various committees. I am here to help you.
- ❖ We have new state officers that are excited to begin their job and have set new goals:
 - Unlock the door to cooperative strategic planning through:
 - **Knowledge** of the Society's mission, purposes, and traditions
 - **Engagement** in purposeful programs and projects to increase member involvement.
 - **Yearlong** involvement in recruiting, mentoring, and leading.
 - **Support** from officers, mentors and others to increase stronger members and chapters.

Let me tell a little about myself. I live on a farm/ranch with my husband and 2 dogs. I have 3 grown children. I am a special education counselor with Big 4 Coop based out of Olney but serving 7 school districts. I have been a part of the Beta Sigma Chapter of DKG for 15 years. I have held numerous offices and worked on several committees. This year I got to go to the Leadership Seminar in Frisco. It was a life changing experience. I am excited to visit your chapters and see the wonderful programs and projects that you are doing. I love to "steal" ideas. I also love to meet my sisters in our chapters. In order to do this, please pick 3 dates that I would be welcomed into your chapter. I will only pick one, then contact you. My contact info: 940-564-0940 or kbishop.dkg@gmail.com
