### **Goals:**

1. To visit all 19 Area Three chapters and their executive boards.
2. Complete a Chapter Visit Report and Chapter Wellness Check for each chapter.
3. Introduce the use of virtual meetings as an alternate means of communication.

### **Accomplishments and Activities Related to goals:**

1. As of February 27, 2020, I will have visited 18 of 19 chapters. Each of the meetings were either business meetings, program meetings or a combination. Membership is the top priority for all chapters. The remaining chapter is scheduled.
2. As of February 27, 2020, I will have completed a Chapter Visit Report on 18 of 19 chapters and 16 Chapter Wellness Checks. The remaining chapters have been scheduled.
3. On Wednesday, February 12, 2020, a ZOOM meeting was held to discuss the Area 3 Fall Workshop. Eleven of the 19 chapters participated through computer or audio. The remaining chapter presidents were at church services, had a family member in the hospital, or were ill.
4. At some chapter meetings, I gave out key blanks and asked members to reflect on their goals and the unique “notches” they will make in the keys.

### **Suggestions to chapter (Officer , committee, or Area)**

1. Reflect on how the TSO Goals and how your chapter can support TSO in meeting those goals.
2. Continue to keep recruiting and retaining current members a priority.
3. Take opportunities to reach out to schools and the community through programs and outreach to increase the profile of Delta Kappa Gamma International.
