

# The Delta Kappa Gamma Society International Texas State Organization

August 2019

Greetings from your Area 5 Coordinator- Denise Harris

Congratulations! You are halfway through your biennium. Ursula K. LeGuin once said, "It is good to have an end to journey toward; but it is the journey that matters in the end." I trust that your journey as chapter president has been great thus far. And, I anticipate that it is going to be a banner year. Our newly elected TSO officers, committees' chairs and area coordinators are charged and ready to go! We are here to assist you and to encourage you all the way to the finish line.

Our theme this biennium is "You are the Key." As Area Coordinator I am the direct link between you and the state president. I believe that all of you have untapped potential for greatness and with your help our area can unlock many doors in this wonderful organization. My goals include increased participation in TSO and DKG International sponsored activities, increased membership, and enhanced programs and projects.

Here are our state organization's goals:

- K- knowledge of the society's mission, purposes and traditions
- E- Engagement in purposeful programs and projects to increase member involvement
- Y- Yearlong involvement in recruiting, mentoring and leading
- S- Support from officers, mentors, and others to increase stronger members and chapters

Please use these goals to guide you as you plan your activities for this year. I am looking forward to visiting each chapter, and meeting with your executive boards before or after that meeting. Please contact me to discuss the dates and times of these visits. Please look for my monthly newsletter which will contain pertinent information from myself and TSO.

We have a very busy year ahead of us with the state convention being held in our area (McAllen) and our area workshop will be held in August 2020 as well. To ensure success, we all must be ready to work hard. I cannot do this without you. You are my key players. Feel free to contact me with your suggestions, questions, and concerns. I am here for you. Let's all have a fantastic DKG year!

Yours Truly,  
Denise Harris
