

Congratulations to all of you as you begin your biennium as chapter president. Someone noticed your skills and invited you into membership in this important society that honors and encourages women educators. From there, your leadership skills were recognized. Thank you for agreeing to lead your chapter! You will find many unexpected rewards and opportunities to hone your leadership skills.

We continue to BRIDGE from yesterday to tomorrow, honoring our past in DKG, and looking to the future of our organization with new eyes and new goals for our groups.

Our TSO State President, Dr. Jo Murphy, has looked to the future and included four goals for this biennium.

1. Encourage members to strengthen their chapters by building membership diversity including members of all ages and ethnicities, as well as those who work in all types of schools
2. Honor our heritage as we build membership, strengthen chapters, and take on new challenges in schools and communities.
3. Encourage healthy living strategies for our members and their families.
4. Support initiatives and programs that will enlighten and inform members about education worldwide.

Of course we know that changes may take place after the International Meeting in Austin later this month, which of course, will impact our chapters. Look for updates as soon as they become available. I will be in Austin and looking forward to seeing you there!

I look forward to working with you as your Area 10 Coordinator. Please feel free to contact me for any help you might need as I will work to be the liaison between the state organization and the local chapters.

Since I have been retired from Cleburne ISD for ten years, I will have more flexibility to be able to visit your chapters. I am looking forward to meeting each of you
