

Texas State Organization

The Delta Kappa Gamma Society International

2020-2022 Area 12 Chapter Presidents

Congratulations on being elected your chapter's president for 2020-2022. Your leadership skills were recognized by your members; thank you for agreeing to lead your chapter. You will find many unexpected rewards and opportunities to hone your leadership skills.

We continue to follow President Patti Belknap's theme for her biennium—**You are the Key**. Her goals for the 2019-2021 biennium are as follows:

Unlock the door to cooperative strategic planning through:

- **KNOWLEDGE** of the Society's mission, purposes, and traditions.
- **ENGAGEMENT** in purposeful programs and projects to increase member involvement.
- **YEARLONG** involvement in recruiting, mentoring, and leading.
- **SUPPORT** from officers, mentors, and others to increase stronger members and chapters.

What door will YOU unlock?

My main goal as your AC is to be available to assist you in any way possible during the first year of your biennium. If you have any questions, do not hesitate to call me or email me. I want to encourage your chapter to open the door of cooperative strategic planning. I will serve as a liaison between President Belknap and the chapters of Area 12. I will keep you informed through emails, newsletters, phone calls, and visits. I want to celebrate your chapter and your members' successes.

Connie Rensink, State Parliamentarian, is your State Mentor. She will also be assisting you with any concerns you might have. Connie and I look forward to a busy and productive year working with you.

I look forward to visiting with you during this next year as your Area 12 Coordinator. Please send me your chapter newsletters and a hard copy of your chapter's yearbook. I enjoy reading your chapter newsletters.

Sincerely,

Judy Evans, Area 12 Coordinator
