Beta chapter, Area 6

Goals

- 1 Visit ½ of the chapters in my area
- 2 Send the area coordinator newsletter out by the 10th of each month
- 3 Forward all information from TSO to area 6 chapter presidents (within a week) from receiving it.

Accomplishments and Activities Related to Goals

- 1 Out of 17 chapters (1 is dissolving) I have visited 9 chapters and have 2 more to visit, hoping to coordinate with 1 to meet in May.
- 2 Out of the past 8 months, there has been 1 month the newsletter went out after the 10th of the month
- 3 Have written and sent out to TSO president and area mentor, chapter visit reports within the 1 week deadline

Suggestions to AC for area 6 (corresponding office at chapter level – AC=suggestions for that Area)

- 1 While the introduction letter is nice, I would rather have a zoom meeting (with chapter presidents) to introduce myself and see face to face.
- 2 I love that TSO gives us information to put into our monthly newsletters, but sometimes it does not allow for us to add items that might be prevalent at certain times of the year.
- 3 Not sure if chapter presidents would be given the opportunity to give feedback on how helpful area coordinators were for them. Maybe they could give ideas as to what they would like to see area coordinators accomplish
4. I believe it is important for area coordinators to send occasional correspondence (such as christmas cards, get well, thinking of you cards) to chapter presidents
