DKGIEF: From Thanksgiving to Giving

November is a time to reflect on those who have made a difference in our lives. For many, an educator belongs at the top of that list—someone who encouraged us, challenged us, or helped us envision a brighter future. This Thanksgiving season, let gratitude inspire generosity through the DKG International Educators Foundation (DKGIEF).

Giving Tuesday is December 1, 2026, making November the perfect time to learn about DKGIEF and consider a gift. Foundation funds support graduate scholarships for DKG members, educational projects, professional development, leadership opportunities, international connections, and emergency assistance for members affected by natural disasters.

Making a gift is easy! Visit www.dkg.org, select DKGIEF, then Ways to Contribute. Choose a one-time contribution or monthly giving option, and explore the Funds page to learn about specific opportunities. Consider supporting the Area of Greatest Need, which provides flexible funding to help address the Foundation's priorities and operational needs.

This November, turn appreciation into action. Every gift makes a difference, no matter the size. Honor the educators who have made a difference in your life by helping DKGIEF make a difference in the lives of others. Give today. Share the opportunity. Help educate the world!
