

## DKG Texas State Organization | Zoom Toolkit

---

### [Zoom Free Access](#)

[Zoom Free Access | K-12 Access](#) - You have the ability to create breakout rooms with this free version.

**Note:** *If you want to host Zoom meetings, you will need to create a Zoom account. You do not need an account to join Zoom meetings, only if you're hosting one.*

## **Zoom Security**

Please do not post the join information (Meeting ID and Password) for your Zoom meeting on a public virtual platform, e.g. open social media sites or a website. Posting general information to market your Zoom meeting is safe, but posting the actual join information for anyone to access is not. The term Zoom Bombing comes from uninvited people joining a Zoom meeting with ill intentions. Please share the join information directly with those you know. This will keep those who are uninvited and disruptive from joining your virtual meeting space.
