

# The Delta Kappa Gamma Society International Texas State Organization

August 2019

Greetings from the TSO Leadership Seminar Committee,

The first Leadership Seminar class was held in 1993 with the goal to energize, inspire, and challenge 30 TSO members to strengthen their leadership skills for the benefit of their chapters, schools, and communities. The legacy has continued throughout the years and in 2021, the next Leadership Seminar class will convene to maintain the tradition of empowering women.

The next seminar will be held on February 26-28, 2021 and will begin on Friday afternoon and end by noon on Sunday. While serving as chapter president, encourage current and potential leaders in your chapter to apply for Leadership Seminar. If you have not attended, I encourage YOU to apply! The application will be available at [www.dkgtxas.org](http://www.dkgtxas.org) in the summer of 2020 and will be due on October 15, 2020.

Leadership Seminar Fund is managed by Alpha State Texas Educational Foundation, or ASTEF. An additional way your chapter can support the impactful work of Leadership Seminar is through monetary contributions specifically designated to the Fund. Chapters who donate \$1 per member during the year will receive recognition as *Leadership Journeymen* at TSO convention. Chapters giving \$2 per member will be recognized as *Leadership Trailblazers* at TSO convention.

The 2021 seminar will focus on President Patti Belknap's theme ***You are the Key*** as we engage in purposeful activities to enhance the skills of communication, management, and teamwork. Participants will enjoy interacting with other leaders from across the state while better understanding their own strengths. The lessons learned will equip members to go forth and lead well in their spheres of influence.

Please do not hesitate to contact me or any of the committee members if we can assist you and your chapter in promoting Leadership Seminar. We look forward to receiving applications from your chapter in 2020.
