Committee Member Spotlight: Adela Navarro, Beta Pi

My journey to DKG began twenty-four years ago in Beta Pi, surrounded by key women educators that were my role models. I have served as chapter president for two biennia, as 1st and 2nd VP, Recording Secretary, and Ceremonies, Scholarship, Legislative, and Music chair. I received the Beta Pi Achievement Award in 2010 and have also served on the TSO Legislative state committee. I have attended many state and international conventions. This year, I am your 94th Convention Registrar. Attending has impacted and inspired me greatly. My journey to the coming TSO Convention will be fruitful as I look forward to seeing old friends and making new ones. I can't wait to take part in the Fiesta!
