Goals

- 1 Get to know chapters better through chapter visit
- 2 Write and send out an informative newsletter each month
- 3 Communicate with State and Chapter leaders
- 4 Work together with committee to plan Regional Area Workshop

Accomplishments and Activities Related to Goals

- 1 I have visited 7 of Area 10 chapters and will visit 7 more this spring.
- 2 I have sent out 6 Area 10 Sky Press newsletters.
- 3 I have strived to answer all emails and questions with prompt response seeking out answers to questions I did not know.
- 4 With planning for RAW, I have attended 3 zoom meetings and recruited chapters to help where needed.

Suggestions to Area 10

- 1 All officers within the Area should be committed to communicating with State personnel and Area Coordinator. Communication is key.
- 2 Make all members feel involved through duties for meetings, etc. No member should feel 'invisible'.
- 3 Simplify forms that need to be submitted and review these at the RAW training.
- 4 Focus on the service aspect of our Society by mentoring future and active teachers.
