

Texas State Organization

The Delta Kappa Gamma Society International

Greetings from the Scholarship Committee!

The primary purpose of the Scholarship Committee is to encourage outstanding educators in all chapters to pursue advanced degrees, continuing education, or lifelong learning experiences. Scholarships are key to growing and expanding new learning at any age. This committee receives, reviews, evaluates, and approves the scholarship requests in accordance with the criteria established for each specific scholarship.

Type	Yrs of Membership	Transcript required	Letters required	Award	Deadline for Submission
3 hour	2	no	3	\$1,000	March 1
6 hours	2	no	3	\$1,500	March 1
9 hours	2	no	3	\$2,000	March 1
Doctoral	3	yes, Official	3	\$7,500	March 1
Weatherby*	10	no	2	up to \$1,500	March 1
Life Long Learner	10	no	2	\$1,000	March 1
Mini Grant	5	no	2	\$750	Nov 1 and/or March 1

**Maetha Griffin Weatherby Scholarship requires attendance at one or more Texas State Conventions and requires member to match the amount awarded by TSO.*

What better way to strengthen a chapter than to encourage members to seek educational growth through workshops, symposiums, or to work on advanced degrees. The variety of scholarships available allow persons to seek assistance with a single course, further work on a doctoral study, attend a symposium in their field of teaching, or participate in one of the lifelong learning adventures. Through Scholarship awards members honor our heritage by continuing to grow in their field of expertise. Additionally, members are able to support educational initiatives, share new learning with others, and improve the quality of their own teaching and learning.

The **State Scholarships** page for guidelines and applications is available at www.dkgtexas.org. Our committee members are here to help any way we can. Reach out to one of us: [Scholarship Committee](#)

Let us help you unlock the door to your future - apply for a scholarship!
