

# 2018 INTERNATIONAL CONVENTION TIMES

Issue 5

**TEXAS EDITION** (for Texas members only)

## Convention Is Almost Here!

By **JoAnn Brooks**,  
Convention Chair

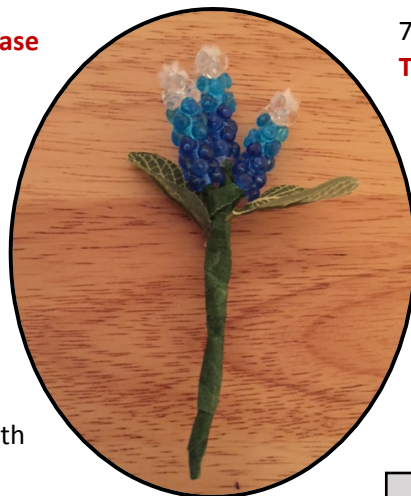

1. **Thank you Texas members and International Ambassadors!** Your response to supporting and volunteering at International Convention has been tremendous.

**Almost 600 Texans have registered** for convention.

**You prepared almost 2,000 Welcome Cards**, which are absolutely beautiful and unique.

The steering committee is looking forward to seeing you soon in Austin.

2. When you register, **please remember to get your bluebonnet pin.** Wear it proudly all week, and then at week's end consider giving it to a new friend from another state.
3. **Be ready to offer to assist any members** with mobility issues or any members who look lost.

4. We have already assigned many of you to volunteer positions, but **we may need more volunteers** once we get there. Make sure we have **your cell number**.
5. **If something unforeseen happens that prohibits you from volunteering**, please contact your chair or steering committee.

6. You can **use the DKG app to look at the hotel floors** to get your bearings before you arrive.
7. **At each meal function, more than one Texan might be at the table.** Each should share in the responsibility of initiating conversation and making those at your table feel welcome. Remember to **download the translation app.**
8. Finally, **wear your western attire Monday night**, and bring your "Texas charm" to convention.
