## Chapter Research

Encourage chapters to research and support long-term and short-term programs and projects that focus on topics adopted by the Society (international and state projects). Collect and analyze data requested by the state president, Assist chapters to prepare surveys

## About The State Committee

One of our biggest jobs is to update historical information on the state website, including information on: status of Past TSO State Presidents, Facilities named for members, Honorary members, Golden Gift, Ignite participants, State Achievement Award, Golden Rose Awards, State convention, DKG/Texas History, and TSO Expansion history.

For more resource information see website below

We have representatives from each area listed on our website:

## What Are Your Chapter's Responsibilities?

Work with your Archives Committee to keep and preserve accurate historical records and update chapter scrapbook and/or archives.

Help your chapter president write a simple history of her biennium. this can be done each year or at the end of a biennium. Be sure to send a copy to TSO Headquarters for inclusion in the DKG Archives located at the TWU campus in Denton.

Work with your chapter Archives Committee to update the last complete chapter history.

Chapter Honorary Members – keep a list in your yearbook of those given honorary membership

Assist in maintaining the status and current contact information for all members who reside in or near your chapter area.

Keep biographical data and records of DKG involvement for each member, helpful if members:

- Seek a DKG scholarship
- Apply to attend a leadership function
- Are nominated for an award
- Filling out Form 6 Death of a Member.

Maintain a list of each year/biennium's chapter officers and committee leaders

Maintain a list of member involvement in State and International offices, committees, directorships, or leadership events, state or International recognitions of achievement or scholarship awards.

Facilities named for members and honorary members (May include schools, libraries, gyms, stadiums, parks, highways, streets, etc.)

- Maintain a list in your chapter
- Use the form on the Research Committee page of the TSO website to notify the Research Chair of any new facilities named and changes to existing names

### A note about records:

Keep a paper copy and keep an electronic copy. Remember that electronic record storage devices become outdated and must be updated as necessary.

Use good archival practices when storing your chapter's records
